

To: The residents of High Gabriel Estates

From: High Gabriel Estates POA Board of Directors

Subject: Pet Waste

We have received a complaint from a High Gabriel resident regarding the amount of dog waste being left in the street frontages and common areas of High Gabriel Estates.

It is great that so many of our residents are getting exercise along with their dogs. As our weather cools down, we are sure that this activity will only increase. We are asking all our residents to respect both their neighbor's property and the overall cleanliness of our neighborhood.

If you walk your dog, please pick up after it.

Sincerely,

High Gabriel Estates POA Board of Directors
