System Report: Ryan and Cliff provided summary update.

Feb 2026 Gallons Pumped	1,048,384
Feb 2026 Gallons Billed	946,721
Feb 2026 Gallons Lost	101,663
Feb 2026 Percent Loss	9.7%
Jan 2026 Gallons Pumped	1,358,792
Jan 2026 Gallons Billed	1,193,095
Jan 2026 Gallons Lost	165,697
Jan 2026 Percent Loss	12.2%

- Concern that losses remain high, leak on Skyview will be fixed soon.
- Well #3 is pumping 130 gpm from the Lower Trinity Aquifer; Well #1 is now pumping 35 gpm.
- Concern that Well #2 may not be a good backup in a drought situation due to being in the Upper Trinity Aquifer, same as Well #1.
- Talking with Advanced Water Well to estimate cost of water piping from Well #2 to storage tank.
- Cliff is following up on estimates for refurbishment of Booster Pump Station Controls.

Treasurer's Report: Accepted as is.

- Listing of Officers with signature authority at Bank remains an issue. Board resolved to change this quickly.

Other Business:

- A copy of the current Insurance Policy needs to be placed in HGWSC document repository.
- Aleta will ask TRWA about insurance requirements/suggestions.
- A portal on the new website may be available for the repository.
- The HGWSC Tariff currently states that bill pay via credit card is allowed; this has not been resolved with Texas Water, will need to add a convenience fee to allow credit card payments. Alternatively, the Tariff may be changed.
- The High Gabriel Estates POA has separated meeting times, meeting locations, and websites from the HGWSC.

Motion to adjourn the meeting at 7:05 pm was made by Don, Ben 2nd, motion passed with a vote 4-0-0.
